Table notes

Although the headline ranking figures show changes in the data year to year, the pattern of clustering among the schools is equally significant. Some 370 points separate the top school, Duke Corporate Education, from the school ranked number 65. The top nine business schools, from Duke CE to MIT Sloan School of Management, form the top group of custom providers. The second group is headed by Ashridge Business School and the third by ESCP-EAP European School of Management. The top and bottom schools in the second group are separated by 58 points; in the third group there is a 168 point gap between top and bottom.
